

Guidelines for the Editing of Research Theses by Professional Editors

Policy developed by the Australian Council of Graduate Research collaboratively with the Council of Australian Societies of Editors & adopted by the Research Education and Development Committee of the University of A professional editors. It also provides a guide for academic supervisors. This document has been developed with close attention to the current Australian Standards for Editing Practice (ASEP). Academic supervisors are encouraged to become familiar with this very useful publication.

Proof-reading and Editing of Research Theses and Dissertations

It is expected that the academic supervisors of research higher degree students will provide editorial advice to their students. This type of advice is covered in Standards C, D and E of ASEP.

- Standard C, Substance and Structure
- Standard D, Language and Illustrations
- Standard E, Completeness and Consistency.

Students may use a Standard D

- d dD
