

REGISTRATION AND LICENSING

General

Plant/equipment registrations

The School/Branch/Faculty/Division who has control of an item of plant/equipment that requires registration in accordance with the WHS Regulations may apply to the regulator ([SafeWork SA](#)) for the registration of that item of plant/equipment.

Plant/equipment registration is issued for a maximum 5 year period. Registration of plant design does not expire.

If your area is responsible you must:

- Keep a copy of your registration and all inspection certificates/reports
- Ensure the registration number is marked on or near the item of plant/equipment
- Provide your registration documents to the SafeWork SA inspectors, if requested
- Notify SafeWork SA of any [change of details](#)

SafeWork SA send out renewals for plant/equipment registration when due.
