# Roseworthy Old Collegians Association Incorporated

Independent auditor's report to members

## Report on the Audit of the Financial Statements

### Qualified Opinion

We have audited the financial report of Roseworthy Old Collegians Association Incorporated (the Association), which comprises the balance sheet as at 30 June 2020, the statement of profit or loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by members of the committee and the committee's report.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph(e pos)-74-.09715 Tw[-12.8(h)0-12(g)0(r)-5(m)1.1(es)-7.8n.d9(t)-.7()(e)-7.74-.012(i)3.6

## **Responsibilities of the Committee Members for the Financial Report**

The Committee Members of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with the accounting policies described in Note 1 to the financial statements and for such internal control as the Committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The Committee is responsible for overseeing the Association's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the AAfraudolv

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
